- 2. The trustee shall disburse all funds received pursuant to paragraph 1 as follows:
 - (a) First, to the trustee's percentage fee and expenses.
 - (b) Second, to secured creditors as provided in (1) and (2) below. Should the trustee not have sufficient funds in trust to pay fully the disbursements listed below, disbursements of funds available shall be made pro rata. The terms of the debtor's prepetition agreement with each secured creditor shall continue to apply, except as otherwise provided in this plan or in the order confirming plan. Secured creditors shall retain their liens until payment of the underlying debt, determined under nonbankruptcy law, or discharge under §1328(a), at which time the lien shall terminate and be released by the creditor.
 - (1) Cure of Default and Claim Modification. The debtor will cure the default and maintain the contractual installment payments (as provided in paragraph 4) on the secured claims listed below in the "Estimated Arrearage if Curing" column. The amount listed in this column is an estimate; the creditor's timely filed and allowed claim shall control. Claims provided for in the "Collateral Value if Not Paying in Full" column are allowed secured claims only to the extent of the value indicated, and pursuant to §506(a), the debtor MOVES the court for an order fixing the value of the collateral in the amount stated below. Unless a creditor timely objects to confirmation, the value of the creditor's interest in the collateral shall be limited to the amount listed below, and that amount will be paid under the plan with interest at the rate stated below.

For claims provided for in the "Estimated Secured Claim if Paying Secured Claim in Full" column, the creditor will receive the amount of the claim that is secured as set forth on the creditor's timely proof of claim, except as follows: If the claim is a "910 claim" not subject to 11 U.S.C. §506 pursuant to the hanging paragraph of 11 U.S.C. §1325(a)(9), the creditor will receive the total amount of the claim set forth on the creditor's timely proof of claim, even if that amount exceeds the secured portion of the claim.

For all creditors provided for under this subparagraph, if the creditor's claim will not be paid in full, the portion of the creditor's claim that exceeds the amount of the allowed secured claim shall be treated as an unsecured claim under paragraph 2(e) (if the claim identifies the priority position of the claim) and 2(f) below.

Instruction to debtor(s): Use **only one** of the following columns for each creditor: "Estimated Arrearage if Curing," or "Collateral Value if Not Paying in Full," or "Estimated Secured Claim if Paying Secured Claim in Full." All other columns must be completed.

Secured claims provided for in this subparagraph shall be limited to the amount indicated in the "Amount of Claim as Modified (Value of Collateral)" column. The debtor MOVES the court for an order fixing the value of the collateral in the amount stated below.

(3) Adequate protection payments shall be disbursed by the trustee pre-confirmation from funds on hand with the trustee in the payment amounts specified in the plan for personal property secured creditors, absent a provision in this plan or a court order providing for a different amount to be paid pre-confirmation. If the debtor fails to make a monthly payment sufficient to pay the adequate protection payments in full, the trustee will disburse the funds pro rata according to the monthly payments proposed for those creditors. Adequate protection payments paid through the trustee pre-confirmation will be deducted from the amount of the allowed claim. Unless the concerned creditor is fully secured or oversecured for purposes of §506 or §1325(a)(9), no interest shall be paid from the date of the filing of the petition to the date of confirmation unless otherwise specifically provided for in the payment provisions set forth above.
